SEASONAL WEATHER 2018

Characterised by a sunny start to spring with a sudden drop in temperatures and heavy rains in May and June. The vines blossomed right at the end of May, promising a slightly late harvest. The grapes were very firm, with turgid berries and slightly sparse but nicely composed bunches. Low evening temperatures and excellent sunlight allowed us to harvest perfectly ripe grapes with crisp skins and tangy juice. Acidity and freshness are clearly evident, characterising a wine destined for a long life.

HARVEST

Strictly by hand.

In the early hours of the morning when the temperature of the air and grapes is cool, so as to preserve the crunchiness of the skin.

VINIFICATION

Traditional in red, with regular fermentation and prolonged maceration in contact with the skins, enabling Maim to acquire greater gustatory complexity.

REFINEMENT

100% of the wine is refined in small 228-litre old white oak barrels for about 12 months, before aging in bottles for over one year.

TASTING

COLOUR: Ruby red with bright and deep crystalline reflections.

BOUQUET: Intense violet, extra-ripe fruit, underwood and spices with balanced sensation of flint, black pepper and liquorice

FLAVOUR: Excellent balance with silky and flexible tannins which support the velvet and gentleness typical of the variety.

Extraordinarily fine texture with endless finale which reveals a superb and extremely elegant structure.

WINE PAIRING

Ideal with Parma ham, bresaola, culatello and semi-soft cheeses, foie gras escalope, feathered game on the spit.

CHEF SERGIO MEI RECOMMENDS

Adult lamb roasted with rosemary and aubergine “alla parmigiana”.
